ABOUT US

Kassam Trading Company, with over 30 years of experience, is a leading rice miller, processor, and exporter based in Pakistan. We pride ourselves on delivering the finest quality rice globally, using state-of-the-art facilities and advanced technology to ensure top-notch processing. Sourcing from trusted local farmers, we promote sustainable practices and maintain stringent quality control to meet international standards. Our extensive range includes Basmati, Jasmine, parboiled, and white rice, offering superior taste and nutrition. With a strong global presence, we prioritize fast delivery and customer satisfaction, building long-term relationships based on trust, quality, and service excellence.

OUR VALUES

Our Corporate Culture

Our Corporate Culture:
At Kassam Trading Company, we trust that the culture that has been nurtured by our fore fathers developed an environment that enhances us ability to work towards and reach our objective.

Our Vision

To be of the Standard of Excellence. We aim to be the best in the industry in terms of quality, price and customer service, thereby setting higher benchmark for the industry.

Our Mission

Our mission is to be the most reliable and efficient rice producer and exporter in Pakistan and around the world . We are committed to grow in a consistent and sustainable manner.

OUR PRODUCTS

Rice

Kassam Trading Company is committed to delivering exceptional rice, sourced from the finest fields of Pakistan. Each variety, from long-grain Irri-6 to premium PK-386 and 1121 Sella, is meticulously milled, polished, and sortexed for purity and consistency. With options like 100% Broken White Rice and golden-hued Yellow Rice, our range meets the highest standards, ensuring our clients receive only the finest quality grains.

Vegetables & Fruits

Kassam Trading Company is your trusted source for a diverse range of fresh produce, delivering all types of onions, potatoes, and mangoes. From crisp, high-quality onions to premium potatoes and the finest mangoes, each product is carefully selected to ensure exceptional flavor, freshness, and quality. Our commitment is to bring the best of nature's bounty to our clients around the world.

Salt & Spices

Kassam Trading Company brings you an extensive selection of premium Pakistani salts and spices, offering the authentic flavors of the region. Our salt range includes Himalayan Pink Salt, prized for its mineral richness; Sea Salt, known for its pure, natural taste; and Rock Salt, a traditional favorite. Paired with our spices, such as cumin, coriander, turmeric, red chili, black pepper, and fenugreek, our offerings ensure the highest quality, bringing depth and vibrancy to every dish.

Sesame Seeds

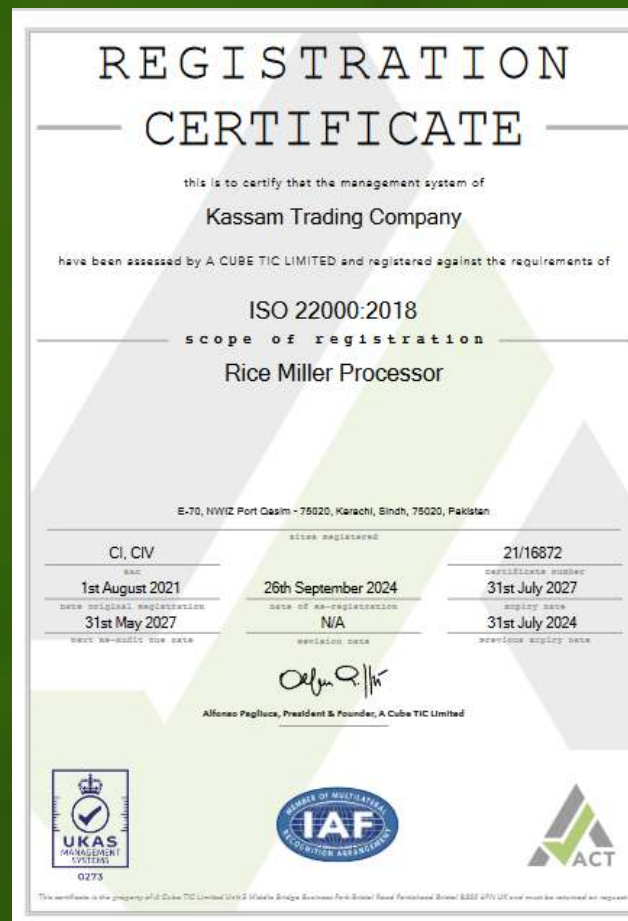

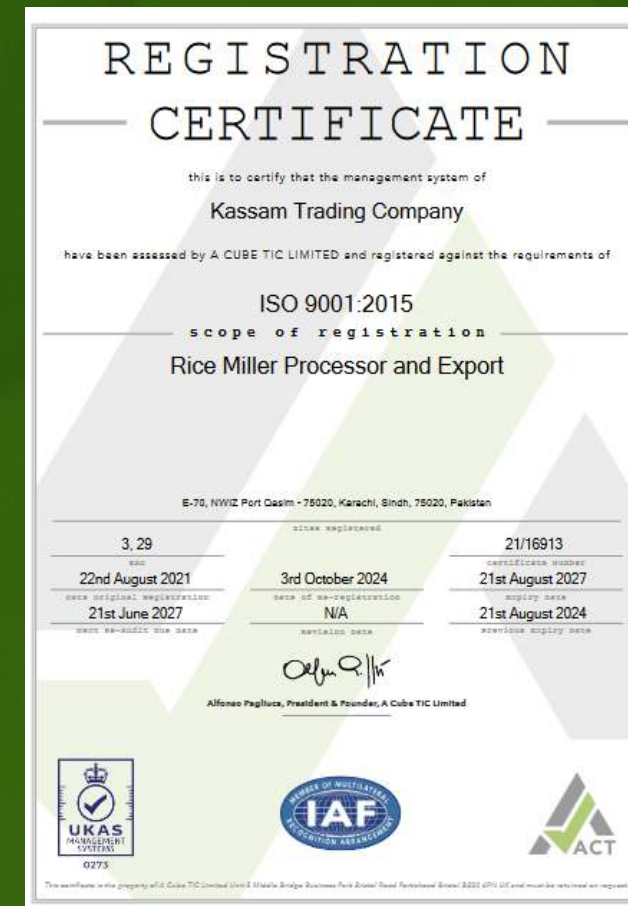

At Kassam Trading Company, we proudly offer a diverse range of sesame seeds, celebrated for their rich flavor and nutritional benefits. Our selection includes white, black, and brown sesame seeds, each carefully sourced to ensure the highest quality. Known for their versatility, our sesame seeds add a delightful crunch to dishes, enhance the flavor of sauces, and are perfect for baking. Experience the wholesome goodness of our premium sesame seeds, bringing a touch of nature's bounty to every meal.

CERTIFIED EXCELLENCE IN QUALITY AND SAFETY

kassam Trading Company is committed to maintaining the highest standards of quality and safety in all our rice products. Our operations are certified by leading international organizations, ensuring compliance with stringent industry regulations. We hold certifications for food safety, quality management, and sustainable agricultural practices, reflecting our dedication to delivering premium, ethically sourced rice. These certifications guarantee that our customers receive rice that meets global standards, fostering trust and confidence in our brand. Through continuous improvement and adherence to best practices, Kassam Trading Company remains a reliable partner for quality rice exports worldwide.

MARKET ANALYSIS

Kassam Trading Company has consistently increased its rice production over the years, reaching 60,000 metric tons in 2019. Our ability to scale production has allowed us to expand into diverse markets. We currently export to key regions across Africa, the Middle East, and Europe, including Kenya, Seychelles, Djibouti, and Italy. Our presence in countries like Azerbaijan and Albania reflects our commitment to meeting global demand. Kassam Trading's success stems from a focus on quality and reliability, enabling us to forge lasting relationships in both established and emerging markets, ensuring customer satisfaction and steady growth.
